ANNEX XIV

'Single Data Point Model

All data items set out in the Annexes to this Regulation shall be transformed into a single data point model which is the basis for uniform IT systems of institutions and competent authorities.

The single data point model shall meet the following criteria:

(a) provide a structured representation of all data items set out in the Annexes to this Regulation;

(b) identify all the business concepts set out in the Annexes to this Regulation;

(c) provide a data dictionary identifying table labels, ordinate labels, axis labels, domain labels, dimension labels and member labels;

(d) provide metrics which define the property or amount of data points;

(e) provide data point definitions that are expressed as a composition of characteristics that univocally identify the financial concept;

(f) contain all the relevant technical specifications necessary for developing IT reporting solutions producing uniform supervisory data.
