What personal data do we process, for what purpose, who can access it and how long do we keep them?

The EFIG survey is aimed at capturing relevant information about emerging trends, challenges, and success stories related to innovation facilitation. The data collected will then be analysed and shared, in aggregate form, with ESMA, EIOPA and the members of the joint-ESAs European Forum for Innovation Facilitators (EFIG). This data is collected under the umbrella of the ESAs Joint Committee, but the collection of personal data and the data collection exercise is performed solely by the EBA.

The EBA uses for this survey the EU Survey tool to collect data. You can consult the data protection notice of EU Survey [here](#).

The EBA intends to maintain a contact list of names, surnames and e-mail addresses of respondents who provide their contact details to facilitate the follow-up to this questionnaire (i.e., staff from Competent Authorities may be contacted in case of follow-up questions for clarifying the answers received).

The EBA processes the following personal data for these purposes: name, surname and e-mail address. The EBA will process the aforementioned personal data in order to gather information and to facilitate direct communication with the participants in the survey, if needed.

Your personal data can be accessed by EBA staff from the Digital Finance Unit. Personal data will not be shared further.

The EBA will keep the personal data for a period that is needed to perform data quality assurance. The retention period will not exceed 2 years from the submission of the survey.

Why do we process your personal data and under what legal basis?

The legal basis of the processing is Article 5(1)(a) of EUDPR as the processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the EBA, in particular the EBA has a statutory duty to monitor and assess market developments, including financial innovation, to achieve a coordinated approach and to provide advice to the co-legislators where needed (see Article 8(1)(f) of Regulation (EU) No 1093/2010). In line with this mandate, the EBA contributes to the EEIF, the Forum for Innovation Facilitators established in 2019 under Article 54 of Regulation (EU) 1093/2010.
