3. Rights and duties of a trainee

3.1. Duration of the traineeship

Each selected candidate can only be engaged for one traineeship at the EBA:

- The traineeship will last a minimum of 6 and a maximum of 18 months.
- The traineeship period is initially offered for a period of 6 months. The Authority reserves the right to extend the traineeship for a further period of up to 12 months, subject to budget resources available, the performance of the trainee and the needs of the service.
- The maximum total period of a traineeship is 18 months.
- The traineeship starts on the 1st or 16th of a calendar month.

3.2. Organisation of the traineeship

Every year the AACC shall decide on the number of traineeships to be offered in each Department/Unit, depending on the budgetary resources available, the needs of the service and on the capacity of each Department/Unit to accommodate trainees.

Prior to starting the traineeship, the selected trainee has to sign a traineeship letter specifying the conditions of their engagement.

The selected trainee is placed under the responsibility of the relevant line manager and assigned a mentor.

A mentor should work directly with the trainee and must guide and closely monitor the performance of the trainee during the traineeship. Generally, there should be only one trainee assigned to each mentor.

The mentor must notify HR immediately of any significant incidents that occur during the traineeship (in particular: professional incompetence, bad behaviour, interruption of the traineeship, as well as absences, sickness and accidents) that come to their attention or of which the trainee has informed them of.

The tasks to be undertaken by the trainee will be agreed at the start of the traineeship period between the line manager and mentor in consultation with the trainee.

Trainees shall be required to comply with the EBA's rules and regulations. Instructions will be given by the assigned line managers, mentor, and/or HR.

With the mentor's approval, trainees may attend meetings on subjects of interest to their work (unless these meetings are restricted or confidential), and to participate in the work of the Department/Unit to which they are attached, or cross-agency if relevant. Trainees are allowed to receive documentation and have access to data, subject to compliance with the EBA's rules

on confidentiality. Trainees may under no circumstances take responsibility on behalf of the EBA on matters that may imply legal or financial impact.

3.3. Interruption

By way of exception, upon a duly justified request of the trainee and after consulting the relevant line manager, HR may authorise an interruption of the traineeship for a given period. The traineeship grant is suspended, and the trainee is not entitled to reimbursement of any travel expenses incurred during that period.

The trainee may return to complete the unfinished part of the traineeship, but only up to the end of the ongoing traineeship period.

3.4. Early termination of a traineeship

If a trainee wishes to terminate their traineeship earlier than the date specified in the traineeship letter, a written request must be submitted to HR by the trainee, with a copy to their line manager and mentor.

This request must be submitted at least four weeks in advance of the foreseen termination date stating the relevant reasons.

The traineeship may be terminated on the 15th or the last day of a month.

Where appropriate, the equivalent part of the grant must be reimbursed to the EBA.

3.5. Future employment

Admission to the traineeship programme does not grant trainees the status of Temporary or Contract Agent, or any other category of staff of the EBA, nor does it give any right or priority to an appointment in the services of the EBA. Trainees can be recruited after completing their traineeship period, only through an open and transparent selection procedure as long as the conditions and rules established for employment in the relevant category of staff have been fully respected and applied.

4. Working time and Absence Management

4.1. Working time and teleworking

Trainees shall respect the same working time of 40 hours per week as EBA statutory staff.

Trainees shall follow the working time and hybrid working arrangements as applicable for EBA statutory staff.

Trainees are not eligible for recuperation of hours or to work on a part-time basis.

Trainees should record their working time in the time management system.

4.2. Annual leave

Trainees are entitled to 2 days of annual leave per calendar month. This entitlement is acquired

on a pro-rata basis counted from the first day of their traineeship. Unused annual leave days at the end of traineeship are not paid. Trainees are entitled to the same EBA public holidays, including flexible public holidays, as statutory staff.

Trainees should record their annual leave in the time management system. Leave days will be approved by their line manager.

4.3. Special leave

Trainees are normally not entitled to special leave. In some circumstances, a special leave can be authorised.

4.4. Absence due to sickness

In case of sickness, trainees must immediately notify, via email, their line manager, mentor and copy HR. If absent for longer than three calendar days, the trainee must provide HR with a medical certificate that does not contain any medical data, indicating the estimated length of absence. A trainee who is absent because of illness may be subject to medical checks in the interest of the service. HR will act accordingly following the medical check. Trainees may not be absent for medical reasons without a certificate for more than 6 days in a 6-month period.

4.5. Unauthorised absence

When a trainee is absent without justification or without notifying the mentor and unit, HR shall in writing, instruct the trainee on steps to be taken. The trainee will be instructed to provide the unit in which the traineeship takes place and HR with proper justification for the unauthorised absence. Such justification shall be provided by the trainee within a week of reception of the written notification from the HR.

Unauthorised absences will be deducted from the trainee's leave entitlement or will entail a corresponding reduction of the traineeship grant if leave has already been taken in full. The AACC may decide, following examination of the justification given, or if no justification is received before the stated deadline, to immediately terminate the traineeship without further notice. Any overpayment of the grant is to be reimbursed to the EBA. The trainee will also not be entitled to receive the travel allowance for the outward journey.

5. Duty of Confidentiality

Trainees must exercise the greatest discretion regarding facts and information that come to their knowledge during the course of their traineeship and are subject to the same confidentiality rules as EBA staff even after their traineeship has terminated.

Trainees are subject to Article 70 of Regulation (EU) 1093/2010 as well as to the Decision of the Management Board adopting Rules of Procedure on Professional Secrecy for Non-Staff (Decision EBA DC 199) of 18 September 2017.

They must not, in any manner whatsoever, disclose to any unauthorised person any document or information not already made public.

Trainees shall sign a confidentiality undertaking upon commencement of their traineeship.

The EBA reserves the right to terminate the traineeship and to pursue any person who does not respect this obligation.

6. Code of conduct and conflicts of interests

During the time of their traineeship, trainees shall neither seek nor take instructions from any government, authority, organisation or person outside the EBA. They shall carry out the duties assigned to them objectively, impartially and in keeping with their duty of loyalty to the European Union.

Trainees shall be subject to the same rules on conflicts of interests and other ethical obligations as EBA staff. They shall be subject to the Code of Good Administrative Behaviour (Decision EBA DC 006 of 12 January 2011), the EBA's ethics guidelines (Decision EBA DC 271 of 26 April 2019) and the policy on conflicts of interests of staff (Decision EBA DC 104rev1 of 10 May 2017).

Before the commencement of the traineeship, trainees shall, using a specific form, declare any interests that could give rise to a conflict with the legitimate interests of the EBA. The Appointing Authority might adopt preventative measures where it identifies conflicts of interests.

Should a conflict of interests arise during their traineeship, trainees should, using a specific form, inform immediately the Ethics Officer. The Ethics Officer might liaise with their line manager/mentor to discuss possible preventative measures for the adoption of the Appointing Authority.

The EBA reserves the right to terminate the traineeship and to take any further measures necessary in relation to any person who does not respect the EBA's ethical obligations and the rules on conflicts of interests.

7. Sanctions and disciplinary measures

Trainees must exercise their duties and behave with integrity, courtesy and consideration. If the conduct of the trainee does not prove satisfactory, the AACC, following a discussion with the line manager, mentor and the trainee, may at any moment decide to terminate the traineeship.

The AACC, following a justified request by the line manager, mentor and approved by HR, reserves the right to terminate the traineeship if the level of the trainee's professional performance or knowledge of the working language is insufficient for the proper execution of their duties.

The AACC reserves the right to terminate the traineeship if at any moment it becomes apparent that the trainee knowingly made wrongful declarations or provided false statements or documents at the moment of application or during the traineeship period.

8. Financial matters

8.1. Traineeship grants

Trainees will be awarded a monthly grant. The reference for the calculation of the monthly traineeship grant is 30 % of the basic salary for EU officials in grade AD5 step 1, multiplied by the weighting factor for Paris, France. The level of the monthly maintenance grant shall be adjusted annually in line with the salary adjustment applicable to the remuneration of EU officials, normally as from 1st January of the following year without retroactive effect. The amount of the basic grant will be published on the EBA's website.

In case the trainee is unable to attend the traineeship programme, except for absence due to certified sickness, the EBA reserves the right to cease payment of the maintenance grant starting from the day following the last day of attendance.

If the trainee terminates their traineeship early, they will be required to reimburse the relevant part of the grant.

In case of overpayment, any amounts due will be recovered by the EBA.

Subject to budget availability, the EBA may also contribute to some expenses such as the canteen.

8.2. Disability allowance

Disabled trainees may receive a supplement to their grant, equal to 50% of the amount of the grant, upon presentation of the proper justification. HR may consult the EBA's Medical Service.

8.3. Tax obligations

Traineeship grants awarded to trainees shall not be subject to the special tax regulations applied to officials and other servants of the European Union. Trainees are solely responsible for the payment of any taxes due on the grant they receive from the EBA by virtue of the laws in force in the state in which they are liable to pay income tax.

The EBA shall provide a certificate for tax purposes at the end of the traineeship period. This certificate shall state the amount of the maintenance grant received and confirm that tax and social security payments have not been made.

8.4. Insurance

8.4.1. Sickness Insurance

The EBA does not provide trainees with sickness insurance cover. Before the start of their traineeship, trainees shall provide evidence that they are covered in the event of illness by a national social security scheme or a private insurance policy, and that the said scheme or policy will cover medical expenses incurred in France.

8.4.2. Accident Insurance

During the traineeship period, trainees are only personally insured against the risk of accidents and death under the insurance policy in place at the Authority.

8.5. Travel allowances

Recruited trainees may receive a flat-rate travel allowance to compensate for travel expenses at the beginning and end of the traineeship period, subject to budget availability. This is determined based on the shortest direct linear distance²² between the trainee's place of recruitment at the beginning of the traineeship and the location of the EBA. The postal address used by the trainee in the application for traineeship shall be considered as the place of recruitment. It is the responsibility of the trainee to inform HR about any change of their place of residence prior to the start of the traineeship.

No request for a change of address shall be accepted once the decision to award a traineeship has been granted and the traineeship letter has been signed by the trainee and the AACC. If the place of recruitment is from outside the EU, the travel allowance shall be reimbursed only from the point in the European territory of a Member State which is the nearest to the place of recruitment.

Distance in kilometers between place of recruitment and Paris	Flat rate payment in EUR (one-way)
0-150	0
>150	76.44
>300	135.89
>500	220.84
>800	356.73
>1300	560.58
>2000	671.01

The trainee must complete a minimum of three months of the traineeship to be eligible for the inward and outward travel allowance. The outward travel allowance is paid after completion of the traineeship. The allowance will be paid only on submission of supporting documents including the itinerary, proof of payment and proof of travel.

Trainees whose place of employment is less than 150km from the place of employment are not entitled to the travel allowance.

8.6. Missions

In exceptional cases only, the AACC after a request from the line manager and mentor of the trainee in question, may grant authorisation for a trainee to attend a mission. Trainees may only attend a mission on the condition that the mission is of a technical nature and not of a representative one.

For the reimbursement of these mission expenses, the general procedure of reimbursement provided for in the EBA's Mission Guide will apply.

²² The direct linear distance within the meaning of these rules shall be determined by using [FreeMap Tools](#). The distance is calculated in kilometres and acts as proof in initiating the flat rate.

9. Reports and Certificates

At the end of the initial 6 months, as well as at the end of the traineeship, in case the traineeship was extended, HR will launch the traineeship performance report to be completed by the trainee, mentor and line manager. Reports shall be completed and sent to HR within the deadline set by HR.

Trainees who have completed the traineeship will receive, after their traineeship, a certificate specifying the dates of their traineeship period, the Department/Unit in which they were engaged, and the main tasks carried out.

10. Data Protection

The EBA will ensure that candidates' personal data are processed as required by Regulation (EU) 2018/1725 of the European Parliament of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC. This applies, in particular, to the confidentiality and security of such data. For additional information please refer to the EBA's privacy statement on the recruitment of trainees.
