EBA REGULAR USE

Decision of the European Banking Authority on the EBA's Policy on Independence and Decision Making Processes for avoiding Conflicts of Interest (Conflict of Interest Policy) for Non-Staff

The Board of Supervisors of the European Banking Authority

Having regard to: to Regulation (EU) No 1093/2010 establishing a European Supervisory Authority (the European Banking Authority)¹, (hereinafter the "EBA") and in particular Articles 42, 46 and 70 thereof;

Having regard to: to the Staff Regulations of Officials of the European Union and the Conditions of Employment of Other Servants of the European Union², and in particular Article 16 thereof;

Whereas

- (1) Independence and high standards of professional conduct by all those involved in the activities of the EBA are crucial for the EBA's excellence and reputation;
- (2) Transparency and openness are essential to ensure public confidence;

¹ OJ L331, 15.12.2010, p. 12.

² Staff Regulations and conditions of employment replaced the Staff Regulations of officials and the conditions of employment of other servants of the European Economic Community and the European Atomic Energy Community laid down by Council Regulations No 31 (EEC) and No 11 (EAEC) of 18.12.1961 (OJ 45, 14.6.1962 - Special Edition 1959-62, November 1972), as last amended.

- (3) The responsibility for declaring any interest that might be considered prejudicial to their independence can only be placed on the concerned persons themselves;
- (4) High quality of expertise is by nature based on prior experience and knowledge acquired in the relevant domain.
- (5) Some of those interests may however conflict with the EBA's objectives and responsibilities;
- (6) In order to ensure a coherent level of detail in the declarations of interests, a set of activities that might cause potential conflicts of interests should be defined;
- (7) Any conflict of interests should be promptly identified, handled and mitigated without delay. To this end, a system of declaration of interests and their subsequent screening and evaluation is required;
- (8) To ensure consistent reporting and evaluation, a set of comprehensive declarations should be used;
- (9) A transparent procedure should be followed by establishing inter alia the following aspects:
 - a) Guidelines to the Chair, Management Board, Board of Supervisors, EBA standing committees and panels which prepare decisions of the Board of Supervisors and the EBA's Ethics Officer performing the screening and evaluation of declarations of interest;
 - b) Transparent consequences linked to the interests declared;
- (10) Regulation (EU) No 1093/2010 requires the EBA to establish and maintain an efficient and fruitful cooperation with bodies active within the European System of Financial Supervision. Without prejudice to the responsibility of each competent authority for the appointment of their representatives, including in relation to preventing conflict of interests, it is therefore appropriate to establish a dedicated set of rules enabling the EBA to foster strong and independent decision making as well as a real and effective network of organisations active within its remit.

Has decided as follows:

8.1 The Ethics Officer or in case of Article 6 the Chair in consultation with the Ethics Officer, shall screen the declarations according to the following criteria:

- (a) Interests can only be assessed by considering whether the specific interests declared by a person are compatible with the EBA's activities and interests;
- (b) In the case of an ad hoc declaration, the assessment should take into account the context in which the declaration is made, including the items on the agenda of the meeting in which the person participates and the role and function that he or she is required to take on or perform in that context.

SECTION II - DECISION ON THE ASSESSMENT OF THE DECLARATION

Article 9 – Process for addressing declared Col of persons identified under Article 1(1)

The relevant National Competent Authority, current employer of the declaring

9.4 The Chair may on his/her own discretion submit the complete file for decision to the Management Board if he/she deems this appropriate.

9.5 Any preventive measure taken to address potential CoI shall be recorded by the Ethics Officer.

Article 10 – Process regarding omissions of declarations

10.1 In case the EBA is aware, or is made aware, of some information that is not consistent with, or that is missing from, the declaration of a person subject to this Decision and that a preliminary assessment suggests that it concerns a declarable interest, the EBA's Ethics Officer shall seek additional information from the concerned person with regard to the omission. At the same time, the concerned person shall be requested to update the missing details of the DoI.

10.2 Upon completion of the update, the DoI shall be processed and screened in accordance with the present Decision.

10.3 The Chair may take any appropriate preventive action regarding the individual's participation in the EBA's activities.

Article 11 – Process regarding breaches of the EBA's rules on declarations of interest

11.2 The Chair shall perform a review of the draft instruments adopted by the forum in which that person participated. The Chair shall clarify whether, and if appropriate the extent to which, that individual influenced the outputs adopted by the EBA. The Chair shall take all the appropriate measures to address these findings.

Article 12 – Review of the decisions of the Chair and/or the Management Board

12.1 In the case of a specific complaint filed by the concerned individual on a decision on CoI taken by the Chair, the Chair shall submit the complete file to the Management Board for its review and decision.
