**Subject: Call for advice to the European Banking Authority (EBA) regarding the
review of Directive (EU) 2015/2366 (PSD2)**

Dear José Manuel,

As announced in the Commission's Retail Payments Strategy of 24 September 2020, the Commission services are currently preparing the review of the PSD2. According to the review clause in Article 108 of PSD2, the Commission is required to submit a report to the Co-legislator (the EU-Parliament and Council), the European Central Bank and the European Economic and Social Committee on the application and impact of the Directive and, if appropriate, submit a legislative proposal together with its report.

As part of our review, the Commission services are seeking advice from the EBA on a number of specific topics related to the PSD2.

My services stand ready to support the EBA in completing this advice as efficiently as possible. Your work will represent an important contribution to the Commission's evidence-gathering process and will help us in the preparation of the report.

To this end, I would ask the EBA to deliver its advice to the Commission services by 30 June 2022.

Thank you in advance for your cooperation and I look forward to receiving the EBA's advice.

Yours sincerely,
(e-signed)

John BERRIGAN
